

SDAG Field Trip 2018

MOJAVE DESERT

The 2018 San Diego Association of Geologists annual field trip will take place from October 12 to 14, 2018. This year's trip will take us up Interstate 15 and into the Calico region outside of Barstow, CA. We will get to see fault features of the San Andreas, how the Mojave River has shaped the region, and the complex geology in Owl Canyon/Rainbow Basin. Friday will consist of a driving tour up Interstate 15 ending at the campground. Saturday will be filled with 2 short, relatively flat hikes and Sunday will consist of a walking tour of Calico Ghost town.

A more detailed itinerary will follow in the September newsletter. Get your signups in!

What is included in your fee:

- Camping at Owl Canyon Campground
 - Please bring your own camping equipment, water
 - Campground has pit toilets, no showers, no water
- Entry into Calico Ghost Town
- 6 meals (Friday dinner, Saturday breakfast to dinner, Sunday breakfast & lunch)(If you have vegetarian/vegan needs please note in your signup)
- Snacks and beverages throughout trip
- 2018 SDAG fieldtrip Guidebook

What is not included in your fee:

- Transportation for the trip. Highly recommended that you coordinate carpools (we can help with coordination).
- Lodging not in Owl Canyon Campground. Barstow is about 20 minutes from the campground and has various motels.

Important Dates:

- September 23, 2017: Last day to register, without late fee
- **September 30, 2017: Last day to register late**
- October 1, 2017: Registration is closed
- October 12 – 14, 2017: Field trip starts at 9:00 am Friday!

Registration information is on the next page.
