SPEAKER: Wendall Gayman
TOPIC: "Oceanographic Studies for an Oil Loading
Facility in New Guinea"
TIME: Social Hour 6p.m.
Dinner 7p.m.
PLACE: ~~Jolly Ox~~ 881 Camino del Rio South San Diego, Calif.
Black Angus
5247 Kearny Villa Rd

Wendall Gayman received his bachelor's degree in geology from U.C.L.A. and a degree in marine geology from Scripps Institute of Oceanography. He has since been employed by numerous firms in the oceanographic field such as Ocean Science and Dillingham Inc. He has also been employed as oceanographer for the Bureau of Mines. For the past few years he has been making it on his own as an independant consultant.

Dr. William Ganus of San Diego State University will be conducting a class this spring semester on Groundwater Geology. Lectures will be Wed. and Fri. from 3:00 to 4:00. with a Monday lab- 1:00 to 4:00. He invites all to attend.

Mike Hart, Chairman
