

SAN DIEGO ASSOCIATION OF GEOLOGISTS

APRIL MEETING ANNOUNCEMENT

DATE: Thursday, April 22, 1976

TIME: Social Hour - 6:00 p.m.
Dinner - 7:00 p.m.
Speaker - 8:00 p.m.

LOCATION: Lancers Court Room
Kings Inn
1333 Hotel Circle
San Diego, California

Bar will be set up in the meeting room. Menu will consist of baked ham, salad, potato, vegetable, rolls and butter, beverage and dessert for \$5.45 (includes tax and tip).

SPEAKER: Dr. Jeff Bada - Dr. Bada is an Associate Professor of Marine Chemistry at Scripps Institute of Oceanography. He received his Ph.D. in marine chemistry from UCSD in 1968; taught there until 1969, and was on the faculty at Harvard in 1969-1970. He returned to California and his current position in 1970.

TOPIC: "Amino Acid Racemization in Nature". Dr. Bada will present a program describing the development and application of this relatively new concept and its use as a dating technique.

RESERVATIONS: Please make reservations for this meeting by 5:00 p.m., Tuesday, April 20, 1976 by calling 224-2911.

ANNOUNCEMENTS: IN MEMORIAL

For those of you who have not heard, a member of SDAG, Larry L. Erb, was electrocuted while operating his bucket rig in Santee on March 31, 1976. It is a great loss to the community as he was a very warm and personable individual as well as a more than competent driller and businessman. His loss will have an effect on all of us.
