

# SAN DIEGO ASSOCIATION OF GEOLOGISTS

## FEBRUARY MEETING ANNOUNCEMENT

DATE: Thursday, February 23, 1978

TIME: Social Hour - 5:30 p.m.  
Dinner - 6:30 p.m.  
Speaker - 8:00 p.m.

LOCATION: Caesar's - Mission Valley  
5010 Mission Center Road  
San Diego, CA  
(order from menu plus 75¢ gratuity)

SPEAKER: Mr. Ken Jackura. Mr. Jackura is an Associate Materials and Research Engineer with the Geotechnical Branch of the Cal Trans Laboratory in Sacramento. He has been involved in seismic evaluation and design of foundations for buildings and roadway facilities.

TOPIC: "Significance of Palmdale Bulge on Earthquake Embankments." Mr. Jackura will give a slide presentation on some aspects of the Palmdale Bulge, methods used in earthquake evaluation, phenomena of liquefaction and utilization of certain evaluative techniques in studying the dynamic stability of large highway embankments within the area of the Palmdale Bulge.

ANNOUNCEMENTS: Congratulations to the following local newly "Certified Engineering Geologists": Bob Dowlen and Tiong Liem. Daryl Streiff, Ray Scarmella, and Dave Newton are now "Registered Geologists."

DUES!

The Long Beach Safety Council offers a Trench Shoring Safety School the last Friday of every month at Long Beach. The cost is \$40 per person including morning coffee and box lunch. For a copy of the brochure call Ken Sherrod at 449-9830.

Upcoming meeting dates are March 23 and April 20.

UPCOMING TALKS: San Diego State University, Geology Dept., 2/22 - 4:00 p.m., Dr. J.T. Gregory will talk on "Some American Contributions to the Growth of a Geological Time Scale." On 3/8 - Dr. P.L. Abbott will discuss "Eocene Poway Conglomerates: Provenance, Depositional Environments, and Post-depositional Offsets." On 3/15 Dr. F.F. Sabins will talk on "Exploration Applications of LANDSAT Imagery." Dr. J.M. Coleman, Scripps Institution of Oceanography, will speak on "On Shelf Sediments", on 2/28 at 8:00pm., in the IGPP Conference Room. American Society of Civil Engineers: On 2/28 - Mr. L.J. Melvin will talk on "Pin Stabilized Landslides" at the Hanalei Hotel, Mission Valley. Social hour 5:30, Dinner 6:30, Talk 7:30 p.m. Call Pete Ketchum (280-4321) for ASCE Talk.
