MEETING NOTICE

August 21, 1985 (Wednesday)

Speaker: Tom Demere

"Fossils from the Unfossiliferous Otay Member"

Tom is the paleontologist at the Natural History Museum. He will discuss the recent discovery of Middle-Miocene vertebrate fossils from the Eastlake Development in Eastern Chula Vista. The site is currently the richest assemblage of Middle-Miocene land mammals in southern California. It is especially rich in Oreodonts.

Place: Natural History Museum
El Prado in Balboa Park
San Diego, California

Time: 6:00 - Social Hour (within the Dinosaur Exhibit)
7:00 - Dinner
8:00 - Speaker

Menu: Mini-Chicken Burritos
Beef Taquitos
Rice & Beans
Cerveza, Wine, etc.

Cost: $10.00 per person

Reservations: By noon Monday, August 19 at 292-8030 - "A reservation made is a reservation paid."

You can take this opportunity to view the museum's "Beasts are Back" which consists of five full and nearly full size, moving, growling, and snorting dinosaurs. T. Rex will be on hand to welcome everyone personally.
