NEWS & NOTES

1) George C. Copenhaver, Jr., the speaker for this meeting, has a specific interest and background in mining district history, ore grades and production. His fifteen years of experience in mineral exploration in the Rocky Mountain Region include ten years with Conoco Mining and five years as an independent geologist. His program will include a slide display of specific geology and structure, as well as historical slides. Mr. Copenhaver will discuss recommendations for new exploration and discovery, in addition to the potential of the old district via new technics of mineral exploration.

2) JOB OPPORTUNITY - Ninyo & Moore, Geotechnical Consultants, San Diego, is actively looking for a Senior Geologist and Senior Engineer with ten (10) years of solid technical experience.
