A DAY IN THE FIELD WITH
TOM DIBBLEE
Glendora/Baldy Village area.

May 24, 2003

The Dibblee Geological Foundation and the Santa Barbara Museum of Natural History invite you to participate in A Day In The Field with living-legend Tom Dibblee, along with Cal Poly Professor Jon Nourse, Northridge Professor Peter Weigand, and Dibblee Map Editor John Minch. Tom and John’s San Gabriel map collection will be available and will be featured.

Great views and precipitous canyon and waterfall outcrops reveal processes of extension, intrusion, rotation, and displacement associated with subduction magmatism and a later evolving dextral plate boundary. There will be dramatic geology for every interest.

Proceeds will benefit the Dibblee Geological Center of the Santa Barbara Museum of Natural History, a 501(c)3 nonprofit educational organization. Proceeds from this fund-raiser will be utilized exclusively for efforts towards the continued publication of Tom Dibblee’s extensive geologic mapping of California.

Fee: $150 (includes transportation, coffee and doughnuts, BBQ lunch catered by Halliburton, ski lift, and guidebook plus map)
Registration deadline is May 10, 2003.

For further information, e-mail John Powell at dibbleemap@adelphia.net, (805) 987-5846, or write to PO Box 2309, Camarillo, California 93011
