Notes and News

- 1) This is a joint meeting with ASCE.
- 2) As discussed in our last meeting, annual dues have been raised to \$5.00 for students and \$10.00 for non-students. A membership form is attached. 1986 dues are due on January 1, 1986. There was also some complaints as to members not receiving their newsletters. We cannot send the newsletters if we do not have any written records indicating your address. Just paying cash is not sufficient, so please fill out the attached form or the appropriate information, and include that with your dues, either by mail (preferably) or at the meetings.
- 3) Also, as discussed at the last meeting, some of you will be receiving bills for dinners reserved but not paid. This is our new policy, as we have lost way too much money this year, paying for members who do not attend the meetings.
- 4) This is also election night. The 1985 Executive committee has nominated the slate of officers as shown below. Please let your wants and desires be known by either voting for the candidates who have been nominated or writing in the candidate of your choice. Please bring the ballot to the December meeting, where the results will be tallied and announced.
